We, the members of the DALLAS SYMPHONY ORCHESTRA, recognize the outstanding talents of Bert Truax and strongly urge Music Director Anshel Brusilow and the RICHARDSON SYMPHONY ORCHESTRA, Inc. to immediately reinstate Mr. Truax without penalty. Furthermore, we condemn the arbitrary and abusive language used by Mr. Brusilow in his verbal attack on Bert Truax that led Mr. Truax to excuse himself from a Service on May 7th, 2010, as well as the fear and intimidation with which Mr. Brusilow addressed the orchestra in retaliation for a planned legal labor action.
